DETROIT TIGERS WIN HARD GAME FROM ATHLETICS

First Battle in Final Struggle for American League Pennant Replete With Long Hits and Sharp Fielding Plays.

(Special to The Evening World.)
COLUMBIA BALL PARK, PHILADELPHIA, Sept. 27.—The crucial tests, which shall result in deciding the American League championship, began here this afternoon. Both the Philadelphia and Detroit teams, keyed to the highest pitch, determined to be adjudged victor, went on the field long before play began.

Twenty thousand maddened fans with every noise-making article that ever was constructed and bands of every description and make-up added to the din. Notwithstanding this reception, Hughey Jennings's warring band of pennant chasers put up a remarkably fast game in their preliminary practice.

The weather was chilly for baseball, but this had no effect on the attendance. Long before the gates were thrown open the streets for blocks were black with a struggling mass of humanity fighting to get admittance to the grounds.

When play was called the field was lined twenty deep all around the enclosure and not another person could possibly be placed inside the roped-off space.

While in round figures the teams tied before the game began, the Philadelphia club was really in the lead. The percentages of the teams carried out to the last decimal were: Philadelphia, .663; Detroit, .663.

The Detroit players were accompanied by large contingents of roosters from their home cities.

SIXTH RACE—Live Wire (5 to 2 and even) 1, Chulita (7 to 5 for place) 2, Arrose 3.

GRAVESEND RACE TRACK, Sept. 27.—The Culver Handicap, the feature of to-day's meet, was one of the biggest betting things of the Gravesend meeting. Nearly everything was played. Suffrage, the favorite, was backed as if the horses had all finished. Bat Masterson, Brookdale Nymph, Sewell and the two added starters, Handzara and Belle of Iroquois, found hundreds of backers. All told, the ring must have handled \$50,000 on the race. Most of the money stayed in the bookmakers' hands. King's Daughter won practically all the way, with Suffrage second and Brookdale Nymph third.

Talent Won in First Race.

The horse that remained true to the talent in the opening event was James B. Brady. With Miller in the saddle, he looked like a real good thing and so many money was bet on that he was taken from 4 to 6 to 1 half that at the close. The result never was in doubt. The favorite went to the front early and "went" the rest of the way to win from Harrel and beat Little Heron for the place. Gentleman was a good fourth.

"Lucky Jack" McGinnis Cashed.

"Lucky Jack" McGinnis put over another good thing and was cashed after being up. Welbourne was a "lucky shot" good thing and it was a 12 to 1 shot. Horner got off in front and he was followed by the others. The drive in front of Perseverance Yankee Girl was the favorite. She finished third. Nickel, the track record holder, claimed a foul against Welbourne. As he was shot off at the far turn, the stewards quickly disengaged the claim and the others on the track.

Nickel, Williams, Chase and San Alviso being well backed. Charley Ellison being the winner.

Closed Fresh in Fourth.

Security was the finish of the third race.

Lotus was the favorite, where there was a good 4 to 1 again. Security.

It was going to make a run in the run in the first. It did. He opened up a gap of three lengths in the run to the first and beat the others.

He was going to make a run in the run to the wire. Security, Lotus and Preen came past the judges stand in a driving finish. Preen was coming stronger and stronger and might have won in another fifty feet.

"Elephant" Favorite Lost.

Miller lost on the second "elephant" favorite of the day in the fifth race,

when he was beaten on Tommies by Aerobat. A 3 to 1 chance, Aerobat was easily second, while Wes, who got the worst of the break, getting show money.

Blair singed. Newton struck out. Mc-

Donald fanned. Coughlin fanned to Hartsel. Payne lined to Oldring. NO RUNS.

Collins waled. Murphy also walked. Collins skied to Jones. Connolly called Oldring out on strikes. Powers out. Coughlin to Rossman. NO RUNS.

Ondring hit to Powers. Powers sacrificed. Schaefer to Rossman. Plank grounded to Coughlin who got Ondring at the plate. Hartsel walked. Nichols out. O'Leary to Rossman. NO RUNS.

Sixth Inning.

Rossman grounded. Coughlin fanned to Hartsel. Payne lined to Oldring. NO RUNS.

Collins waled. Murphy also walked. Collins skied to Jones. Connolly called Oldring out on strikes. Powers out. Coughlin to Rossman. NO RUNS.

Ondring hit to Powers. Powers sacrificed. Schaefer to Rossman. Plank grounded to Coughlin who got Ondring at the plate. Hartsel walked. Nichols out. O'Leary to Rossman. NO RUNS.

Seventh Inning.

O'Leary fouled to Powers. Powers

singled. Jones went to second and Donovan to third. Don Collins wild.
